

# INTRODUCTION

## THE SIGNLAB USER GUIDE

This user guide contains an overview of the features and workflows that are included with the SignLab Print and Cut, SignLab Vinyl Pro, the Print & Cut Manager, and the Spot Color module. This documentation is intended to help orientate the novice user and highlight particular workflows that will improve efficiency. Be aware that SignLab is feature rich, so we invite you to experiment with new designs and methods.

## **Limited Warranty on CADlink Products**

CADlink warrants that the disk medium upon which the product is recorded, and any hardware accompanying said disk(s), shall be free from defects in materials and workmanship -- under normal use and service for a period of ninety (90) days from the date of delivery, as evidenced by a copy of the receipt.

CADlink's entire liability and exclusive remedy as to the disk(s) or hardware shall be at CADlink's option -- either (a) return of the purchase price, or (b) replacement of the disk(s) or hardware that do not meet CADlink's Limited Warranty. These must be returned to CADlink postage pre-paid with a copy of the receipt.

If failure of the disk(s) or hardware has resulted from accident, abuse or misapplication, CADlink shall have no responsibility to replace the disk(s) or hardware, the replacement will be warranted for the remainder of the original warranty period or thirty (30) days, whichever is longer. Other than the above limited warranty, CADlink makes no other warranties whatsoever, either legal or conventional, express or implied, with respect to the licensed software and hardware. You are advised to test the licensed software thoroughly before relying on it. You assume the entire risk of using the licensed software. Because of the diversity of conditions and hardware under which the licensed software may be used, no warranty of merchantability or fitness for a particular purpose is given. Some regions do not allow the exclusion of implied warranties, so the above exclusion may not apply.
